MEMORANDUM FOR: Assistant Chief, Development Projects Division

SUBJECT : Furnishings for Edwards Air Force Base Residence of  
[redacted]

25X1

REFERENCE : IDEA-0071, dated 28 November 1960, same subject

1. Suggest simplest and most secure method of providing subject furnishings would be to permit [redacted] to procure on the open market. It is recommended that the guide line for such procurement be [redacted] as to dollar limitation and items of furniture.

2. As you are no doubt aware, [redacted] is the basis for authorizing procurement of household furniture in overseas areas. However, the experience behind this "reg" makes it an ideal yardstick. To actually accomplish this, I believe DD/S approval should be obtained. As a further justification, were we to ship the equivalent [redacted] to California and return, the cost to the Agency would be greater than following this procedure.
